Step3. Once registration is complete. Login using your credentials and watch the 2min video

On completion, click the **Activate My Account** button

In this example, we chose the **Master Package** = \$160.

So you will pay the relevant accounts and Membership Fee.

NB: You will ONLY be granted FULL MEMBERSHIP once all payments have been verified by receivers.

HOW YOU MAKE MONEY:

Let's assume out of the 4 packages you could start with, you chose to start on a Master package and introduced only 5 friends on Master as well.

That's **R2500** (R500 x 5) on **Level1**. You are already in Profit.

NB: You are not limited to 5, this is just for demo purposes.

Quickly get your 5 friends to introduce their 5 on Master & you are on **R12500** from **Level2**.

You now not only have a team that is in profit, you can now also afford to start reinvesting some of your money to our other projects.

Teach your team to do the same, earn up to **R100 000pm** following our strategy on **Level3**.

Gold Miners helps you strategise your business as follows.

12 MONTH STRATEGIC PLAN:

In this Step by Step plan, we want to help each member working with their team to reach an Income Goal of **R100 000 pm** on Gold Miners alone.

STEP BY STEP GUIDE

1. You and your team decide on a Package you will start with to reach the best possible results on Gold Miners Network. For demo purposes, we assume you choose our premium package, the Master Package.
2. Decide that you and your team will refer Gold Miners to 5 people every month.
